Detailed Metric Information

Brightness [FAIL]

Value: 45 | Target: >= 60
Overall visual brightness of the page.

Text Contrast [PASS]

Value: No Obvious Issues | Target: WCAG AA+
Readability of text against its background.

Buttons (total) [PASS]

Value: 124 | Target: Contextual
Count only; not graded.

Small Buttons [FAIL]

Value: 122 | Target: 0
Tappable size for fingers on mobile.

Performance (mobile) [FAIL]

Value: 1 | Target: >= 0.85
Google Lighthouse performance score.

Load Time [PASS]

Value: 2.74s | Target: < 2.5 s
Speed index—lower is better.

Navigation Links [PASS]

Value: 109 | Target: >= 1
At least one link must be there.

Clear CTA [FAIL]

Value: No | Target: Yes
At least one call to action must be there.

Autoplay / Motion [PASS]

Value: 0 | Target: ≤ 1

Should be limited to one element.

Visual Clarity [FAIL]

Value: Cluttered | Target: High / Clean

Overall clutter vs. clean layout.

Design Consistency [PASS]

Value: Consistent | Target: ≤ 3 fonts, ≤ 4 colors

Consistent fonts and colors build trust.
